CELEBRATE EASTER & Every Day!!!!

Nestled in the heart of the Florida Keys, Hawks Cay Resort unveils its latest gem: a stunning new marina designed not just for travelers, but for locals who know there's nothing better than a day on the water. This state-of-the-art facility welcomes boating enthusiasts with modern amenities, ample docking, and effortless access to the beautiful waters of the Atlantic.

Now, Keys residents can dock for the day, step ashore, and make the most of Everything Hawks has to Offer—no room reservation required.

Tie up at the new marina and stroll over for dinner at Salt + Ash, the resort's vibrant dining centerpiece from Michelin-starred chef Jeremy Ford, where elevated farm-to-table flavors and ocean-fresh American cuisine take center stage. Meet friends for brunch, sip cocktails at sunset, or turn an ordinary weekday into a waterfront escape. Looking to unwind? Book a spa treatment and spend the afternoon in total relaxation. Prefer time out on the water? The resort's marina also offers access to unforgettable fishing charters, giving anglers the chance to head out into the Atlantic for a

day of world-class sportfishing before returning to dock for a well-earned meal or cocktail.

Hawks Cay Resort has long been a cherished destination for visitors and locals to gather, celebrate, and enjoy a change of scenery close to home. The excitement continues to build with the highly anticipated debut of a spectacular new water and adventure park in Summer 2026. While this immersive new attraction will be exclusive to resort guests, it will add an exciting new dimension for those planning an overnight stay at Hawks Cay in the future.

These exciting additions build on the resort's recent enhancements, including refreshed accommodations, expanded dining, and new spa amenities—**creating**

MAKE PLANS TO FISH!!

NO FISH!!A blonde wanted to try out ice fishing. She went out and purchased all the gear she would need and headed to a local spot to try to catch some fish.

She went out onto the ice with her gear and after getting comfy on the stool, she started to cut a circular hole in the ice as she had seen on the internet. As she was cutting, she heard a voice from the heavens speak out, saying, ***“THERE ARE NO FISH UNDER THE ICE.”***

The blonde was startled. She stood up and looked around but saw no one. Cautiously, she moved a little further out onto the ice and set up in a different spot. She sipped some hot chocolate from her thermos and then started cutting another hole. Again, the voice called out, seemingly from all around her.

“THERE ARE NO FISH UNDER THE ICE”

Now feeling quite scared and starting to get a bit frustrated, she moved all the way to the far end of the ice and laid out all her gear, sat upon her stool and started cutting another hole. Right away, the heavenly voice boomed out, this time louder than ever, ***“THERE ARE NO FISH UNDER THE ICE!”***.

She jumped off her stool and looked all around her. She shouted to the heavens, ***“IS THAT YOU, LORD?”***

The voice answered, ***“NO. THIS IS THE MANAGER OF THE ICE SKATING RINK. THERE ARE NO FISH UNDER THE ICE!”***

 thumb TOM

We are proud to call the Marathon Offshore Bull & Cow Tournament the largest fishing tournament in the Middle Keys and are grateful for all the anglers who have traveled from near and far to fish our pristine waters in search of that trophy-winning dolphin!

Unlike other tournaments, the rule for this one is simple “The More, The Merrier!” The Jackpot for the largest bull and cow combined weight is guaranteed \$20,000 but can increase as More Boats Register!!

Because the grand prize is based on the combined weight of the largest bull and cow, it’s a very competitive tourney. Some- times 1st and 2nd place is separated by as little as one ounce.

The structure of the Marathon Offshore Bull & Cow Dolphin Tournament, sponsored by Tom Thumb, has made it popular since its inception in 2006. Supported by the Florida Keys Tourist Development Council, and other national and local sponsors, the Bull & Cow has become an annual tradition for families on vacation, locals who like to have fun, and competitive anglers looking for bragging rights.

This year, the contest will be home ported at the NEW - Two Conchs Marina MM53 11587 Overseas Hwy. Marathon where weigh-ins will take place from 4 to 6 PM. Just East of Two Conchs World Headquarters - It’s the site!

One final note - we understand that the diligent efforts of the conservation organizations and the dependable support of individuals committed to preserving and protecting our marine resources will ensure a healthy fishery for future generations.

Together we can ensure the sustainability of our marine re- sources. While the Marathon Offshore Tournament supports the legal and ethical harvesting of fishing during our tournaments; we’re steadfast in our pledge to the conservation of our marine ecosystem.

Our commitment continues through our support of organizations like CCA Florida, the Billfish Foundation and by setting an example for other anglers.

25 Years Stronger: Sexual Assault Awareness Month 2026

April 2026 marks the **25th anniversary** of Sexual Assault Awareness Month (SAAM), a milestone coordinated by the National Sexual Violence Resource Center (NSVRC). This year's national theme, **"25 Years Stronger: Looking Back, Moving Forward,"** honors the history of advocacy while renewing a collective commitment to a future free from sexual violence.

The Movement's Roots and Mission

Though formally recognized in 2001, the movement began with grassroots activists in the 1970s who organized the first "Take Back the Night" rallies to protest violence against women. Today, SAAM has evolved into a comprehensive public health campaign aimed at:

Raising Awareness: Educating the public about the causes and risk factors of sexual assault.

Supporting Survivors: Centering survivor voices and providing trauma-informed resources.

Promoting Prevention: Teaching concepts of consent, healthy boundaries, and bystander intervention.

Key Events in April 2026

Communities nationwide participate in several hallmark events throughout the month to show solidarity:

SAAM Day of Action (Tuesday, April 7, 2026): Supporters are encouraged to wear teal, the official color of sexual violence prevention, to start conversations and spread awareness.

Denim Day (Wednesday, April 29, 2026): This event protests victim-blaming. It originated after an Italian court overturned a rape conviction because the victim wore tight jeans, implying she must have helped remove them.

30 Days of SAAM: An interactive

social media contest, often hosted on Instagram, that provides daily prompts for engagement and education.

Impact and Statistics

Sexual violence is a major public health concern that affects millions, regardless of age, gender, or background.

Staggering Prevalence: More than 53% of women and 29% of men report experiencing sexual violence in their lifetime.

Campus Safety: Approximately 1 in 4 women and 1 in 16 men will experience sexual assault during their time at college.

Health Consequences: Survivors are at an increased risk for depression, PTSD, anxiety, and substance use disorders.

How to Get Involved

Prevention is a shared responsibility. You can participate by:

Educating Yourself: Learn about digital consent and how to spot technology-facilitated abuse like deepfakes.

Starting by Believing: Take the Start by Believing pledge to ensure survivors are met with support rather than doubt when they come forward.

Supporting Local Resources: Donate to or volunteer with local rape crisis centers or national organizations like RAINN.

Need Help?

If you or someone you know has been affected by sexual violence, free and confidential support is available 24/7:

National Sexual Assault Hotline: 800-656-HOPE (4673)

Online Chat: online.rainn.org

Mile Markers - What's the Deal?

US 1 is used to travel the islands of the Florida Keys.

Location: along the highway are expressed by Mile Marker numbers. The **ZERO Mile Marker** is found in **Key West**. Mile Marker numbers continue to increase until the pass through the Monroe County line at Mile Marker 112, north of **Key Largo**.

Look for small green signs with white numbers posted at each mile along US 1 (these used to be the original mile posts installed along the old railroad bed).

Special note: Mile marker references are commonly used in local addresses. When there is a B or O this denotes either Bayside (north-Gulf of Mexico side) or Oceanside (south-Atlantic Ocean side) location.
