*Nestled in the heart of the Florida Keys,
Hawks Cay Resort*

unveils its latest gem:

*a stunning new marina designed not just for
travelers, but for locals who know there's
nothing better than a day on the water.*

**This state-of-the-art facility welcomes boating
enthusiasts with modern amenities, ample docking,
and effortless access to the beautiful waters
of the Atlantic.**

**Now, Keys residents can dock for the day, step
ashore, and make the most of
Everything Hawks has to Offer—
no room reservation required.**

Tie up at the new marina and stroll over for dinner at Salt + Ash, the resort's vibrant dining centerpiece from Michelin-starred chef Jeremy Ford, where elevated farm-to-table flavors and ocean-fresh American cuisine take center stage. Meet friends for brunch, sip cocktails at sunset, or turn an ordinary weekday into a waterfront escape. Looking to unwind? Book a spa treatment and spend the afternoon in total relaxation. Prefer time out on the water? The resort's marina also offers access to unforgettable fishing charters, giving anglers the chance to head out into the Atlantic for a day of world-class sportfishing before returning to dock for a well-earned meal or cocktail.

Hawks Cay Resort has long been a cherished destination for visitors and locals to gather, celebrate, and enjoy a change of scenery close to home. The excitement continues to build with the highly anticipated debut of a spectacular new water and adventure park in Summer 2026. While this immersive new attraction will be exclusive to resort guests, it will add an exciting new dimension for those planning an overnight stay at Hawks Cay in the future.

These exciting additions build on the resort's recent enhancements, including refreshed accommodations, expanded dining, and new spa amenities—**creating even more reasons to experience**

Mile Markers - What's the Deal?

US 1 is used to travel the islands of the Florida Keys.

Location: along the highway are expressed by Mile Marker numbers. The ZERO Mile Marker is found in Key West. Mile Marker numbers continue to increase until the pass through the Monroe County line at Mile Marker 112, north of Key Largo. Look for small green signs with white numbers posted at each mile along US 1 (these used to be the original mile posts installed along the old railroad bed). Special note: Mile marker references are commonly used in local addresses. When there is a B or O this denotes either Bayside (north-Gulf of Mexico side) or Oceanside (south-Atlantic Ocean side) location.

Welcome to your piece of paradise in Breezeswept Beach Estates, where laid-back island living meets premier canal-frontage. From here, it's an easy cruise to open water--perfect for early morning fishing runs, sunset sails, or spontaneous sandbar days. Inside, this bright and breezy retreat has been thoughtfully updated with stainless steel appliances, sleek Silestone countertops, and warm hickory cabinetry--bringing that effortless coastal style to life. Step outside and the vibe continues: low-maintenance artificial turf and durable Trex decking, ready for paddleboards, kayaks, or just dangling your feet in the water. With 60 feet of concrete seawall.
