David Feder

As Featured on NPR
All Songs Considered.

Limitless Guitar

“David has a magic way of making you feel like an old friend with songs that are original and intimate.”

He is a master guitarist who plays his own intricate Flamenco-influenced finger-style music with a laid-back island feel.” – *NPR Michael Stock*

A sophisticated fusion of rhythmic Flamenco and contemporary guitar music.

“You have a Treasure in your midst... the great Dave Feder”
– *Jimmy Buffett*

“David Feder... a real world-class act.”
– *TIME OUT Magazine*

“And the music is so clear and true that it makes you shiver.”
– *The Miami Herald*

GOLF BALLS

A man got on a bus with both of his front trouser pockets full of golf balls and sat down next to a beautiful blonde.

The puzzled blonde kept looking at him and his bulging pockets.

Finally, after many glances from her, he said, "It's golf balls."

The blonde continued to look at him for a very long time, thinking deeply about what he had said.

After several minutes, not being able to contain her curiosity any longer, she asked, "Does it hurt as much as tennis elbow?"

Welcome, anglers, captains, sponsors and volunteers to the **18th Annual Marathon Offshore Bull & Cow Dolphin Tournament!**

We are proud to call the Marathon Offshore Bull & Cow Tournament the largest fishing tournament in the Middle Keys and are grateful for all the anglers who have traveled from near and far to fish our pristine waters in search of that trophy-winning dolphin!

Unlike other tournaments, the rule for this one is simple "The more, the merrier." **The jackpot for the largest bull and cow combined weight is guaranteed \$10,000 but can increase to \$25,000 as more boats register for the contest.** In previous years more than 150 boats competed for more than \$30,000 in prize money.

Because the grand prize is based on the combined weight of the largest bull and cow, it's a very competitive tourney. Sometimes 1st and 2nd place is separated by as little as one ounce.

The structure of the Marathon Offshore Bull & Cow Dolphin Tournament, sponsored by Tom Thumb, has made it popular since its inception in 2006. Supported by the Florida Keys Tourist Development Council, and other national and local sponsors, the Bull & Cow has become an annual tradition for families on vacation, locals who like to have fun, and competitive anglers looking for bragging rights.

This year, the contest will be home ported at the NEW - Two Conchs Marina MM53 11587 Overseas Hwy. Marathon where weigh-ins will take place from 4 to 6 PM. Just East of Two Conchs World Headquarters - It's the site!

One final note - we understand that the diligent efforts of the conservation organizations and the dependable support of individuals committed to preserving and protecting our marine resources will ensure a healthy fishery for future generations.

Together we can ensure the sustainability of our marine resources. While the Marathon Offshore Tournament supports the legal and ethical harvesting of fishing during our tournaments; we're steadfast in our pledge to the conservation of our marine ecosystem. **Our commitment continues through our support of organizations like CCA Florida, the Billfish Foundation and by setting an example for other anglers.**

APRIL 2024

TimeOutMagazine.com

THANKS TO OUR SPONSORS! Couldn't Do It Without You!

The Lower Keys Chamber of Commerce is very proud to present

40th Annual Underwater Music Festival

Friday, July 12th from 6pm-8pm

Let the festivities begin! Learn about our precious reef at Mote Marine, 24244 Overseas hwy, Summerland Key, FL 33042. You can tour the facilities and get a first hand look at their amazing efforts in restoring our beautiful reef. We will also be enjoying live music, light bites and beverages. This is a free event. If you have any questions, feel free to call the Lower Keys Chamber of Commerce 305-872-2411. Then put on your favorite costume and your gear to dive or snorkel on

Saturday, July 13th from 10am - 2pm

at Looe Key Reef. Contact any of the local dive shops to reserve a seat on their vessels and enjoy their costume parties. Photographers and videographers come from all over the world to film this festival...there's nothing like it anywhere else! It provides footage that is seen around the entire world, promoting our diving and snorkeling industry and sharing information about our delicate oceanic environment in the Lower Keys.

Activities occurred under permit within the Florida Keys National Marine Sanctuary

Celebrating 36 Years in Publication!
Mile Markers – What's the Deal?
 US 1 is used to travel the islands of the Florida Keys.
 Location: along the highway are expressed by Mile Marker numbers.
 The ZERO Mile Marker is found in Key West. Mile Marker numbers continue to increase until the pass through the Monroe County line at Mile Marker 112, north of Key Largo. Look for small green signs with white numbers posted at each mile along US 1 (these used to be the original mile posts installed along the old railroad bed).
 Special note: Mile marker references are commonly used in local addresses. When there is a B or O this denotes either Bayside (north-Gulf of Mexico side) or Oceanside (south-Atlantic Ocean side) location.

Every 11 Minutes... The Facts About Fentanyl

Fentanyl is a synthetic **opioid that is up to 50 times stronger than heroin and 100 times stronger than morphine. It is a major contributor to fatal and nonfatal overdoses in the U.S.

****Opioids are a class of drugs used to reduce pain. Common types are oxycodone (OxyContin), hydrocodone (Vicodin), morphine, and methadone.**

There are two types of fentanyl: pharmaceutical fentanyl and illegally made fentanyl. Both are considered synthetic opioids. Pharmaceutical fentanyl is prescribed by doctors to treat severe pain, especially after surgery and for advanced-stage cancer.

Fentanyl-related overdoses are linked to illegally made fentanyl, which is distributed through illegal drug markets for its heroin-like effect. It is often added to other

drugs because of its extreme potency, which makes drugs cheaper, more powerful, more addictive, and more dangerous.

Powdered fentanyl looks just like many other drugs. It is commonly mixed with drugs like heroin, cocaine, and methamphetamine and made into pills that are made to resemble other prescription opioids. In its liquid form, it can be found in nasal sprays, eye drops, and dropped onto paper or small candies.

Fentanyl-laced drugs are extremely dangerous, and many people may be unaware that their drugs are laced with fentanyl.

It is reported that someone loses their life to a drug overdose every 11 minutes. Fentanyl and other synthetic opioids (opioids AKA pain killers, Narcotics) are the most common drugs involved

in overdose deaths. Even in small doses, it can be deadly.

Signs of overdose

Recognizing the signs of opioid overdose can save a life. Here are some things to look for:

- Small, constricted “pinpoint pupils”
- Falling asleep or losing consciousness
- Slow, weak, or no breathing
- Choking or gurgling sounds
- Limp body
- Cold and/or clammy skin
- Discolored skin (especially in lips and nails)

What to do if you think someone is overdosing?

It may be hard to tell whether a person is high or experiencing an overdose. If you aren't sure, treat it like an overdose—you could save a life.

☛ Call 911 Immediately.

☛ **Administer naloxone, if available.

☛ Try to keep the person awake and breathing.

☛ Splash cold water or apply a cold compress to the face and chest

☛ Lay the person on their side to prevent choking.

☛ Stay with the person until help arrives.

**** Naloxone is a life-saving medication that can reverse the effects of opioid overdose and save lives. It is available in all 50 states and can be purchased from a local pharmacy without a prescription in most states.**

From all of us at The Time Out Magazine, The Nurses Corner, have a safe and healthy April.

Remember “ILLICIT drugs come with NO ingredient list”... Please be safe and take care of each other!!

TIME OUT AROUND TOWN!!

COMMISSIONERS SUPPORT FWC IN FINDING OUT THE CAUSE OF RECENT FISH DEATHS AND ABNORMAL BEHAVIOR

FLORIDA KEYS, FL – The Monroe County Board of County Commissioners are in full support of the Florida Fish and Wildlife Conservation Commission (FWC) in its quest to find out the cause of the recent smalltooth sawfish deaths and spinning fish abnormalities happening in the Florida Keys.

“We know there is a lot of frustration in the community not knowing what is going on,” said Commissioner Michelle Lincoln. “We are all extremely concerned about our ecosystem and what is causing this to happen.”

FWC is working with stakeholders and nonprofits to investigate the abnormal behavior and sawfish deaths. Rep. Jim Mooney led the effort to secure \$2 million in State funds this budget cycle for the FWC to determine the scale and scope of the ongoing fish mortality and disease event in Biscayne Bay, Florida Bay, and the Florida Keys. The FWC will contract with nonprofits to assist with data collection and analysis, and employ local fishing guides to assist with data collection.

“We are fully supporting our State scientists and experts in working as quickly as possible to discover what is happening,” said Mayor Holly Merrill Rashein.

What FWC knows so far: There have been 21 documented smalltooth sawfish deaths to date. 2 Based on fish necropsy data to date, there are no signs of a communicable pathogen and specimens are negative for bacterial infection. Additional sawfish tissues are still being processed for analysis. 3 Dissolved oxygen, salinity, pH, and temperature are not suspected to be the cause of the fish behavior or kills. 4 To date, Red Tide toxins (brevetoxins) produced by *Karenia brevis* have not been detected in water samples. 5 At this time, the cause of the abnormal behavior and mortalities is not known, and efforts to collect and analyze samples are ongoing.

How you can help: Sawfish: Report all healthy, sick, injured or dead sawfish to FWC’s Sawfish Hotline at 844-472-9374 or via email at Sawfish@myfwc.com with the date, time and location of the encounter, estimated length, water depth and any other relevant details. Under the Endangered Species Act, it is illegal to catch, harm, harass, or kill an endangered sawfish. It is also unlawful to possess, sell, carry, or transport sawfish or parts of sawfish—such as the rostrum (snout). While some fishermen catch sawfish as bycatch, they can follow safe handling and release guidelines to quickly and safely release incidentally captured sawfish

Fish Concerns: If you see abnormal fish behavior, fish disease, and fish kills, submit a report to FWC’s Fish Kill Hotline either through the web form MyFWC.com/ReportFishKill or phone 800-636-0511.

Reefs & Rhythms

PLANT  aMillionCorals

Reefs & Rhythms:

Dive into Coral Conservation with a Rooftop Party at the Waterfront Brewery!

Imagine this: Sipping a frosty local brew on a Key West rooftop, the sun setting over the historic waterfront, and the vibrant sounds of live music filling the air. All while raising a glass to the vital cause of coral restoration with the Plant a Million Corals Foundation!

Join us for an unforgettable afternoon at Waterfront Brewery, where the breathtaking views are only matched by the impact you can make. This fundraiser for coral restoration is your chance to:

- **Breathtaking Views:** Mingle on the Waterfront Brewery's rooftop, offering panoramic vistas of the historic harbor and endless sky. Let the cool ocean breeze carry the sounds of live music by talented local artists.
- **Delicious Delights:** Indulge in specially crafted food and drink specials provided by the brewery. Savor the unique flavors of Key West while fueling your commitment to ocean conservation.
- **Excitement with raffles and a silent auction:** Try your luck at winning amazing prizes while contributing directly to the Plant a Million Corals Foundation's vital work.
- **Knowledge is power:** Learn about the wonders of coral reefs, the threats they face, and how the Plant a Million Corals Foundation is leading the charge in restoration efforts through informative exhibits and passionate speakers.

Together, we can raise the bar for coral conservation and ensure a vibrant future for these underwater treasures. Don't miss this chance to party for a purpose, with breathtaking views, delicious food, and the knowledge that you're contributing to a vital cause.

Join us at the Waterfront Brewery rooftop and make a splash for coral restoration!
